

KEY

[Red dashed line]	Site Boundary
[Blue hatched]	Solar Panels
[Black rectangle]	Inverter Station
[Grey rectangle]	Customer Substation
[Green dashed line]	EHV Cable
[Purple dashed line]	Substation (refer to drawing 10031-E-ELV-04 Rev B NPD Approved 2.4m High Palisade Fencing for detailed enclosing fencing information)
[Purple dashed line]	Security Fence to include mammal gaps
[Black circle]	CCTV Camera
[Green circle]	Existing Vegetation
[Green circle]	Existing Vegetation to be enhanced/infilled (at a rate of 30%)
[Red dashed line]	Existing Hedgerow to be removed
[Green dashed line]	Proposed Hedgerow
[Green circle]	Proposed Tree
[Orange dashed line]	Existing Public Right of Way
[Yellow dashed line]	Existing Bridleway
[Blue dashed line]	Proposed Construction Route
[Blue dashed line]	Swale (PFA)
[Yellow shaded area]	Biodiversity Enhancement Area - Complementary species diverse grassland habitat
[Light green shaded area]	Grass within Security Fence - Emergate E026 Standard Old Fashioned Grazing Mixture or similar
[Dark green shaded area]	Grass Outside of Security Fence - Emergate EM2 Standard General Purpose Meadow Mixture or similar

Notes:

- Field boundaries across the site to be retained at 3m height, and where necessary infilled with native species in line with the guidelines for the local landscape character to strengthen the landscape character, retain historic field boundaries and improve habitat connectivity.
- Panels offset from proposed and existing trees to avoid impacts upon them (including mature height overshadowing); trees within the site will be monitored and if required pruned accordingly to prevent overshadowing on the panels.

Revisions:
 First Issue - 11/03/2022 IHW
 A - (15/03/2022 IHW) Labels amended following clients comments
 B - (05/04/2022 IHW) Red line amended to include construction access / compound
 C - (07/09/2022 IHW) PV layout amended, additional hedgerows to PRoW routes

**Master Site Layout Plan
 Burnt House Farm**
