Description

26 Riverside Gardens is a much loved home in a highly sought-after riverside location. The current owners have skilfully updated and enhanced the property to exacting standards, and the property is in genuine show home condition. Beautiful throughout, the home offers flexible accommodation which is deceptively spacious and is sure to generate a high degree of interest from a wide variety of purchasers. With scope to extend due to the size of the plot, the property briefly comprises:

Entrance porch, reception hall with storage cupboards and concealed office area, cloakroom/w.c, lounge, garden room, dining room, large breakfast kitchen, pantry (with access to the loft space which has power and light and water supply), utility room, sun/breakfast room, rear porch. Inner hall leading to master bedroom suite with extensive built in wardrobes, luxury en-suite bathroom, bedroom 2 with built in wardrobes, further bedroom and large shower room.

Externally

The exterior of the property is as immaculate as the interior. A smart block paved driveway provides parking for numerous vehicles and leads to the detached double garage with rear pedestrian access. There are two electric garage doors and the provision of power and light. This space could easily be turned into additional living accommodation (subject to planning) should purchasers wish to create an annexe.

A path meanders through the low maintenance front garden to the front door. The gardens to three sides combine clever planting with gravelled and paved areas to create some delightful areas which have a Mediterranean feel. This is especially evident to the rear where a mature vine has established over an arbour, creating a lovely covered terrace. The rear garden is further enhanced by the major selling point of the home. This is the superb river view and access from the bottom of the garden, which the current owners have enjoyed for many hours during their custodianship of this special home.

The Appeal of Our Home - The Owner's Insight

What do I love about my home? Everything. The light and space in the house and our lovely garden with access to the river have been wonderful. You also won't find better neighbours than ours.
