The Appeal of our Home

"Southview, Holme on Swale is like being on vacation 365 days. From the moment I wake in the morning to a hear the stadium of birds singing and enjoying breakfast in the garden watching the most stunning sunrise over the Cleveland hills to then returning home in the evening after a busy day to the tranquillity, the space to roam freely, to enjoying a long soak in the bath with a glass of wine watching the sunset is a favourite of mine.

The house has been a labour of love. A renovation dream. The kitchen is perfect for social gatherings, we have enjoyed many days and nights with friends here spilling out into the garden to enjoy the sunset. On a warm day many have quoted it is like being in Spain. Breakfast Alfresco is "my thing" and through the huge swivel door I utilise the outdoor kitchen space which sees the prettiest sun rise.

I will be very sad to leave my home, my lifestyle in Holme. '
