## Description

The property extends to approximately 5.71 acres, enclosed within a secure ring fence, making it ideal for either grazing livestock or equestrian use. The land is divided into four manageable field parcels, with a natural water supply via a stream running through the holding.

A well-drained hard standing area provides functionality and great access, suitable for machinery and general agricultural use. The stable block is split into two sections and benefits from lighting and power sockets, offering a versatile space for shelter, feed storage, or tack. Please note, a generator will be required, as there is no mains electricity.

Set in a scenic location, just outside of the Lake District National Park, the land has views across the Furness Peninsula and out toward Morecombe Bay. Easily accessed from the B5281, this is a unique opportunity to acquire a well-maintained small holding.

## Location
