## The Stables

The Stables is a most deceptive 3 bedroom barn conversion in a convenient and yet rural location, between Easingwold and Boroughbridge. The property is full of character and benefits from modern additions such as replacement bathroom and updated kitchen. The most surprising element of this property is the extensive outdoor space which includes parking, double garage gardens and additional grazing paddock perfect for a pony or sheep. As such the home would appeal to a wide array of purchasers especially those wanting to live the 'Good Life'.

There are many original features such as exposed ceiling beams and the stone granary steps to the first floor, and these have been combined seamlessly with the modern additions such as the replacement double glazing. The property has a cosy feel and yet offers spacious flexible living and comprises.

Fitted kitchen, reception/dining room, sitting room, study, cloakroom/wc and utility. The first floor comprises, principal bedroom with dressing room and replacement ensuite, 2 further bedrooms and house bathroom.

Courtyard with off-road parking, EV charging point, double garage with up and over doors, generous walled rear garden with a brick sett patio, shaped lawn and extensive planting and summer house. A timber pedestrian gate leads to an additional area.

## Outside

Double timber gates beneath a brick archway lead onto a gravel driveway, with 5-bar gates leading onto the access lane. There is a central lawn area, Silver Birch trees and a mature Beech Hedge. This would be a perfect area should buyers need parking for a horse box or ride on mower. A 5-bar gate opens to the fenced grass paddock perfect for one pony or for sheep and other animals and a timbered copse is found to the far end of this area. From the paddock there are fine views towards the White Horse, surrounding woodland and Hambleton Hills. In all 0.87 ac or thereabouts.

## Situation and Amenities

The Stables is positioned between Easingwold and Boroughbridge with ease of access onto the A19, A168 and A1M. There is a range of amenities in Easingwold which include a public house, restaurant, and a village hall with sporting facilities including active tennis/cricket clubs. Primary schools are available in Brafferton and Easingwold and the nearest secondary school is in Easingwold linked via a school bus service. Extensive shopping facilities and a weekly market are also available in Easingwold and it has recently been announced that a large supermarket will soon be constructed. The property is extremely accessible and is a short drive to both Easingwold and Boroughbridge and also the A19 and motorway networks beyond. The nearest station is a 15 minute drive in Thirsk.
